

# Lucia Moreno

IT Manager

Madrid · lucia.moreno@example.com

## Summary

IT manager with ten years running technology for retail businesses, covering infrastructure, applications and the service desk.

## Experience

**IT Manager - Grupo Peninsular Retail, Madrid** · March 2016 - present

Own all technology for a retailer with 140 stores and 1,100 staff. Lead a team of seven covering infrastructure, applications and support. Delivered the point-of-sale replacement across all stores. Manage the supplier relationships and the technology budget. Infrastructure is largely outsourced to a managed service provider, which I oversee.

**IT Coordinator - Textiles Ibericos, Valencia** · September 2013 - February 2016

Windows Server and desktop estate for 300 staff across two sites.

## Skills

IT service management - supplier and budget management - point of sale systems - Microsoft 365 - Windows Server - team leadership - Spanish (native), English (fluent)

## Education & Certifications

Licenciatura en Administracion de Empresas, Universidad Complutense de Madrid, 2012. PRINCE2 Practitioner. Spanish and EU citizen.
